A454 ASA EARLY CAREER AWARD COMMITTEE

- A. Status: Special Committee

- B. Composition and Tenure: Committee membership is comprised of the ASA Members of the ACS530 ACS Early Career Members committee with the Chair being the ASA member with the longest tenure on the ACS530 Committee.

- C. Purpose: The ASA Early Career Award recognizes professionals who have made an outstanding contribution in Agronomy within seven years of completing their final degree (BS, MS, PhD). The award consists of a certificate and \$2,000 honorarium.

The award has specific eligibility and evaluation criteria.

Specific details are found at: ASA Early Career Award – www.agronomy.org/awards

ACS530 will encourage nominations.
